INGOT

The Ingot, 1978 Vol. V

*Granite High North
4950 Maryville Rd
Granite City, Illinois*

Official Seal:

The official seal of Granite High North was developed by Senior Editor Carol Elmore of the Ingot yearbook staff when the school opened in 1973. It contains a steel ladle, symbolic of the name, "Steelers," which was adopted by our athletic teams, and an N arising from the ladle, which is the eternal flame of knowledge, obtainable at North High School. Surrounding the whole is the laurel wreath of learning and achievement, and the school motto: NULLI SECUNDUS, which means, "Second to None." The motto was chosen by a student steering committee chaired by Janet Morlen, the first student body president.

Superintendent Of Schools

Mr. B. J. Davis is Superintendent of Community Unit District #9. He was born on March 23, 1931, in Springfield, Missouri. He received a B.S. in Education in 1952, and his Masters Degree in Education Administration at Missouri University. He served as a Social Studies teacher for two years at Chadwick Public Schools, then transferred to Salem, Missouri, where he taught Social Studies and Driver's Education from 1955-1958. In 1960, he became a Junior High Principal in Granite City School District. Mr. Davis was appointed Assistant to the Superintendent in 1965, and in 1966, he became the Superintendent of Schools.

Assistant Superintendent

Mr. Frank Kraus, was born in Granite City, and he graduated from Granite City High School South in 1948. He served in the Air Force from 1951-1953, then was appointed as a Faculty member and Coach at Lawrenceville, Illinois, and then in Granite City. He received his B.S. Degree in 1957, at Southern Illinois University, Carbondale, and his M.S. from Indiana State University. In 1967, he became the Assistant Superintendent of Community Unit District #9.

Administration & Faculty

Gilbert V. Walmsley, Principal

Mr. Walmsley, the Principal of North High School, has had a varied background as Production Foreman at Olin-Matheson in East Alton, Illinois, as a teacher at Roosevelt High School, St. Louis, in Industrial Arts.

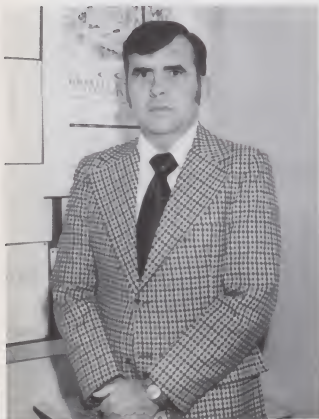

He has taught Industrial Arts and Driver's Education in Granite City, and he has served as a Guidance Counselor and Assistant Principal of Prather Junior High School. He became principal of North High in 1973.

Mr. Walmsley prides himself upon an "open door" policy with the student body and faculty of North. He believes that North High was created to serve the students and parents of the community and he strives to operate the school with that thought in mind. We wish his continued success in that endeavor.

Mr. & Miss School Spirit

Three girls and three boys, all of the Senior class, are nominated by the faculty on the basis of the student's participation in school activities and enthusiasm in such activities. From these nominees, the Steeler Steelerette athletes and the Silver Spirit Pep Club choose who they feel is best qualified for this title. Congratulations to Bruce and Sara for being the personification of school spirit at North High.

"We Will Remember" is a song written by three seniors; Christy Smith, Cathy Messina, and Colleen Kindle. The music also was written by Christy Smith. We would like to share it with you, and especially the seniors.

"We Will Remember"

For now it's time to say goodbye, to all that we have known. We must look into the future, for now we're on our own.

Now our friends seem like passers-by, we may never meet again. The past few years are at an end, but yet it's time to begin.

Chorus:

Yes, my friend, a lot has changed, and we've watched each other grow. We'll sit back and remember the times of long ago. But we'll always have the memories of times that we've shared. Remember how we laughed and cried and all the times we've cared.

We are the generation to come, the world is ours to see.
We are the children of yesterday. What is our destiny?

So many dreams have come and gone, through these passing years. I've found that life is more than living, and yes, there's been some tears.

President-Linda McCrone. Vice-President-Cathy Messina. Secretary-Lori Pendegrass. Treasurer-Jane Marshall

Senior Class Officers

1978 was the first year for senior class officers at North. The main purpose of the officers is to organize the class reunion and also raise money to purchase a gift which is left to the school from the senior class. Candidates picked up petitions and the election was held in December. There is a possibility of having Junior, Sophomore, and Freshman officers in the future.

Steeler Golf

This year's golf team completed the most successful season of any team in Granite North's history. The team was consistently ranked among the top teams in the area as they finished the season with a record of 16 wins, 4 losses, and 1 tie. Their tournament record was just as successful. They finished 11th in the Quincy Invitational. They brought home 3rd place in their own Granite North Scramble. In the Edwardsville Invitational, they finished 5th, with Dan Harper 4th in his flight, George Bartz 2nd in his flight, and Brett Smith 5th in his flight. The team then traveled to Mater Dei, where they brought home the 1st place trophy. In the Mater Dei tournament, Dan Harper finished 4th, and Brett Smith was the low medalist. The team ended their season on a high and a low note. In the District tournament at Wood River, they finished 2nd, with Brett Smith finishing 2nd, George Bartz 6th, and Dan Harper 8th. In the Sectional tournament, the team shot 18 strokes over their average and finished 8th. Coach Chappell and all the team members should be complimented on their fine season. We also wish Coach Chappell the best of luck with teams to come.

 MEMORIAL SPORTSMANSHIP CUP
 1977
 Presented by
 THE CHICAGO STING
 AND THE JOYCE DR. PEPPER
 BOTTLING COMPANIES

The first North-South soccer game will go down as one of the most exciting events in Granite North history. The excitement was with every student as the best two soccer teams in the state prepared to do battle. The fans packed the field and they saw the kind of game they expected to see. North was forced to play shorthanded when a player was removed from the game. They also lost their coach when Coach Kehoe swallowed his own personal pride and vocally defended his team in a contested decision. Then the game came to its stunning climax, as North scored in the final three minutes to end the game in a 2-2 tie. The team outplayed the eventual state champions. Coach showed what an outstanding person he is, and the student body came out in strong support of the team. After this game it made one proud to say that he was a Granite North "Steeler".

J. V. Soccer

This year's Granite North soccer team completed the season as one of the best in our school's history. The team went through the entire season as the number two team in Granite City. However, the team proved to everyone that they were not content to be considered the number two team when they outplayed Granite South on the way to a 2-2 tie. The team went on to lose to South in the Sectionals, but only on a last second goal. On behalf of the INGOT staff, I would like to congratulate the members of the team, and Coach Kehoe for the excellent season that the team completed. Also, a special word of congratulations goes to Mike Hill and Eric Thornburg for their selection to the All-State Team.

Steelerette Tennis

The 1977 Steelerette tennis team began, in early August, their 12 game season, carrying a squad of 13 girls. The seasons record of 1-11 does not show tough competitive spirit exhibited by the team, but the players do share the knowledge of much personal satisfaction and improvement. Ending the season in October, four team members then attended the District Tournament in Belleville. Losing only 2 varsity players should encourage our remaining team to improve their individual tennis abilities.

The girls field hockey team, during their regular season of play, ended up with a record of 5 wins, 3 losses, and 1 tie. They then went on to sub-sectionals only to lose to Macomb, a team they had beaten 3 weeks before. Next year looks very promising for the Steelerettes.

Athletic Trainers

The athletic trainers do a great service for Granite North's athletic program. These student trainers put in a great deal of time and effort to assist the athletes. Bill Cochran has done a great job in providing a service for both Granite City High Schools. The job of an athletic trainer demands many hours of hard work but at the same time it is a very thankless job.

Mike Baker

Mike Baker has been selected to the Metro-East All-Star team every year since he was a Sophomore. His record in Cross Country Invitationals is amazing. At Triad he has been the champion the last two years. At Waterloo he has been the champion the last three years. At St. Paul he holds the course record and has been the champ for the last two years. At the Granite City North Invitational he has been the champ for the last two years. Mike was District champ in 1975 when he led his team to the state finals. Mike capped off his career at Granite North by finishing 14th at the state meet. Congratulations to Mike and Coach Robinson and the best of luck in the future.

Seniors

Kris Whelan

In 1977 Kris Whelan became the first athlete from Granite North to ever win a state Championship. In the last two years of wrestling for Granite North he has compiled a 78-1 record. In 1976 he was Jr. National Greco champ, had the most pins, and was voted outstanding wrestler of the tournament. He was also 4th in the Olympic trials and was invited to attend the Olympic training camp. He also won the National Jr. Championship again in 1977. Kris was granted the Amateur Wrestler of the Year Award. This year Kris finished a surprising second at State. To Kris and his Coach Walt Whitaker, we extend the hardest congratulations and best of luck in the future.

Organizations & Activities

"Showers of Memories"

"Showers of Memories," was the theme of the 1977 Spring Carousel event. After the senior girls marched into the Memorial Gymnasium in their formal gowns, the entertainment began. The performances were made by the cheerleaders, pom-pom squad, G.A.A., Silver Spirit, P.E. jazz dance class, Flags & Rifles, individual routines, chorus, and Novus 4. The queen, Tammy Legate, was then crowned by the preceding homecoming queen, Mary Vesci. A selected group of senior girls performed the traditional maypole dance, who were then encircled by the rest of the senior girls. The memorable night ended with the congratulations of parents and friends of the girls, who shed a few tears.

Granite City High School North Concert Band 1978

The Granite High North Band is a multi-faceted, functional organization which takes part in all phases of school life at North during the course of the year. Its members are a part of "The Marching Band From Steeler Land" during the fall, giving special half time performances at football games and participating in parades. They become the Granite High North Concert Band in the winter season and provide a series of four concerts for the student body and community. During the winter months they become two North Pep Bands which perform at pep rallies and home basketball games and give special performances in the community whenever their presence will benefit some worthwhile community activity. The North Band acts as a home base and mother unit to which are attached the well known "Steel City Belles" Pom Pon Squad, and the rapidly growing "North Guard" Flag and Rifle Squads.

the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation 1999). The prevalence of mental health problems has increased in the general population, and the incidence of mental health problems has increased in the prison population.

There is a growing awareness of the need to address the mental health needs of prisoners. The Department of Health (1999) has published a strategy for mental health services, which includes a commitment to improve the mental health of prisoners. The Department of Health (1999) has also published a strategy for mental health services, which includes a commitment to improve the mental health of prisoners.
